Simon Lu
Director of Operations at ZNshine PV Tech Inc
2015 年 3 月 31 日，DI是Simon的直接下屬

It was a great experience working with Simon. He restructured the operations team and mentored me dealing with financial institutions, insurance companies, bookkeeping and tax preparation companies and 3PLs etc. Simon is seasoned, dedicated and detail oriented, he has been successfully increasing the company bankability by strategic approaching between banks and clients. He also has big picture about the operational strategy, I recommend him with all operations managerial positions in PV industry.
